

FLAT SCREEN WALL MOUNT WITH TILT FOR SCREENS UP TO 80"

B-Tech Elements products offer the core traits that B-Tech is known for, exceptional build quality, strength, and reliability, without some of the premium features typically reserved for our flagship mounts. The **BT5432** wall mount, designed for large screens, combines a slim profile with robust functionality. It supports displays weighing up to 154lbs and offers a depth of just 1.88" when mounted flat against the wall. The mount also features four adjustable tilt angles, allowing for up to 15° of tilt, making it ideal for hospitality environments and similar applications. The mount includes a universal interface compatible with VESA patterns up to 650 x 400. For added convenience, built-in lateral adjustment and a quick-release locking mechanism ensure a flexible, hassle-free installation.
