

# BT5960

## CCTV CEILING MOUNT FOR SMALL - MEDIUM DOME SECURITY CAMERAS

The BT5960 is a CCTV ceiling mount for small to medium-sized dome security cameras and is available with a 1 or 2 metre ceiling drop. Integrated cable management allows cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories such as a flat screen can be added with the use of a  $\varnothing 38$ mm accessory collar (BT5952) and compatible screen mount.

### SPECIFICATIONS

Max load	<b>5kg</b>
BT5960-FD100 drop length	<b>1036mm</b>
BT5960-FD200 drop length	<b>2036mm</b>
