

BT7882

AV STORAGE CRADLE

The BT7882 is the ideal solution for securing AV equipment designed to 1U, 2U & 3U rack specification onto B-Tech mounts, or directly to a wall if desired. An open framework design provides sufficient airflow to keep mounted devices cool and at the same time secure; preventing unauthorized removal through the use of pin hex security screws. The BT7882 can also be mounted onto Ø2" poles, using B-Tech's System 2 collars or directly onto System X mounting rails and columns.

SPECIFICATIONS

Max storage load	33lbs
Max screen weight	44lbs
VESA® fixings	up to 400 x 200*
Tray tilt for service access	45°
External Dimensions	H: 19.56" x W: 17" x D: 5.90"
Max equipment dimensions	H: 19.21" x W: 16.37" x D: 5.70"

FEATURES

- 1** Tray opens 45° for easy access to equipment
- 2** Media players can also be mounted to the cradle
- 3** Fits directly to System X Rails & Columns, or B-Tech poles using accessory collars
- 4** Can mount screens in a landscape or portrait orientation directly to the wall
 - Suitable for a wide range of AV equipment designed to 1U, 2U & 3U rack specification
 - Screens with VESA fixings secure directly to the front of the cradle
 - Vented framework design for airflow
 - Anti-theft lock helps to keep the device secure
 - Keyhole mounting for a quick and easy installation
