

BT8342

CEILING MOUNTED VIDEOWALL MOUNTING SYSTEM

The BT8342 is a modular ceiling mounting system for video wall installations of any size. The BT8342 can mount screens from the floor or ceiling in landscape or portrait orientations - perfect for digital signage that needs to stand out. As part of the System X range, the BT8342 can be used in thousands of different configurations and is ordered according to your requirements using B-Tech's online configuration tool (see below, right).

SPECIFICATIONS

| | |
|--------------------------|--|
| Recommended screen size | from 32" up to 75" |
| Max load | 110lbs per screen |
| VESA® & non-VESA fixings | up to 900* |
| Pole length | 0.02" up to 0.12" (can be cut to length) |
| Color | Black |

FEATURES

- Configurable mounting solution available to order to your requirements from stock - see configurator info
- 1 Tool-less micro-adjustment for seamless screen alignment
- 2 Suitable for landscape, portrait and back-to-back mounting
- 3 Multiple rail lengths available (rails can also be joined to create larger installs)
- 4 Capable of mounting from the ceiling or in floor-to-ceiling configurations
- Safety screws help prevent unauthorised removal of screens
- Multiple rail and pole lengths available
- Heavy Duty poles will be automatically supplied with larger installs to cope with increased load (only available in 2m or 3m lengths)
- Simple installation with all mounting hardware included
- TÜV certified

*Refers to maximum vertical fixing dimension for a typical configuration. Correctly sized interface arms and adapters will be supplied as necessary to suit the mounting pattern you require.

BT8342

CREATING YOUR BT8342 KIT

BT8342 configurations are made to your exact requirements and, as a result, utilize a varying combination of System X components in order to create the perfect solution. Below are technical drawings for the standard components used in every BT8342 configuration: BT8390-VESA400MAF Micro-Adjustment Interface Arms, BT8390-CFKI Collar Fixing Kit, BT7850 Ø2" Poles and BT8390 Mounting Rails (available in the lengths shown). Please visit our System X online configuration tool at www.btechavmounts.com/systemx-configurator to specify your requirements. All dimensions will be automatically calculated and a complete mounting solution with all required parts will be created for you.
