

BT8390-WFK8

SYSTEM X™ ULTRA-SLIM RAIL MOUNTING BRACKET

The BT8390-WFK8 is an ultra-slim bracket designed to position BT8390 mounting rails flush against the wall, making it ideal for menu boards and other multi-screen configurations. This versatile bracket is part of the System X range, ensuring a minimal profile for finished installations. It also allows the rail to be mounted facing either forwards or backwards, accommodating various installation requirements.

SPECIFICATIONS
