

# BT8415

## TWIN SCREEN VC WALL MOUNT FOR SCREENS UP TO 46"

BT8415 is a premium wall mounting solution designed to mount two screens side by side for video conferencing applications. The mount features an adjustable VC shelf that gives the user the flexibility of mounting a VC camera above or below the screens. Additional features include adjustable levelling screws for easy height alignment of the screens once mounted and safety screws that help to prevent unauthorized removal of the screens.
