MOTORISED TWIN SCREEN FLOOR-TO-WALL VC STAND

Part of **B-Tech's Momentum Range** of display solutions, the **BT8557** is a motorized, height-adjustable floor-to-wall stand designed for twin displays up to 65". Its electronic height adjustment system allows for effortless raising and lowering of the screens via a wired control panel, with an adjustment range of up to 25.6" that makes the display accessible to a variety of users. Capable of mounting dual screens up to 66lbs and featuring a sleek and modern design aesthetic, quick assembly and ease of use. An integrated storage unit at the rear provides convenient space for cable management and AV equipment, making the complete AV setup both neat and practical.
