

BT8566

FLAT SCREEN TROLLEY WITH FLIP ROTATION FOR SAMSUNG FLIP®

As part of B-Tech's Designer Trolley range, the BT8566 is a high-end mounting solution ideal for the use of touch screen displays such as the Samsung® Flip™*. The mount's rotational interface allows the user to easily rotate the display 90° for a smooth transition from landscape to portrait. Available in a choice of black, silver and white, with contrasting dual colour accents and a triangular shaped column. Cable management keeps finished installations looking neat and tidy. Non-marking, braked castors make repositioning quick and easy without marking or scuffing floor surfaces and AV components such as shelves can be fitted directly to the column to accessorize the install.

SPECIFICATIONS

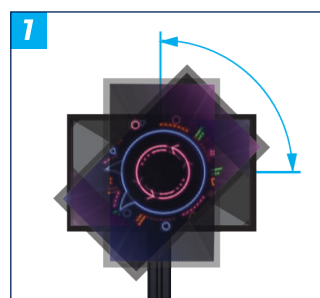

Recommended screen size	37"- 75"
Max load	70kg
VESA® fixings	up to 600 x 400
Trolley dimensions	W: 1075mm H: 1932mm* D: 863mm
