

BT899

PROJECTOR CEILING MOUNT WITH MICRO-ADJUSTMENT

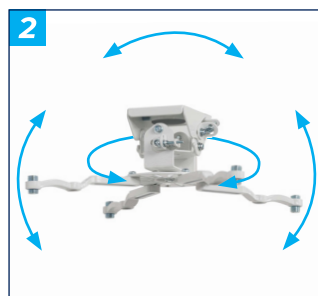

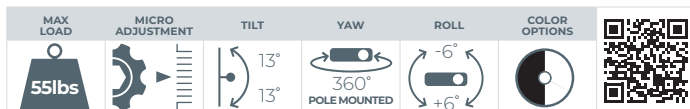

The BT899 is a universal projector ceiling mount which can be used to mount projectors up to 55lbs. Compatible with B-Tech's System 2 professional range, this mount can either be mounted flush to the ceiling or onto Ø2" poles. Supplied pre-assembled for a simple three step installation, the BT899 is designed with easy adjustment of tilt, roll and swivel with optional micro-adjustment for short throw projectors making this mount the ideal solution for installing projectors.
