

# BT9272

## UNIVERSAL dvLED BOLT-DOWN STAND FOR ANY CONFIGURATION

Part of B-Tech's System Xpress range, BT9272 is a universal bolt-down solution suitable for any latching dvLED cabinet. Quick to quote and available at pace from stock, BT9272 is a simple to install dvLED mounting solution that is available to order in configurations that meet your exact needs.

System Xpress revolutionises dvLED mounting with its innovative, universal design for latching cabinets. Featuring B-Tech's **Patent Pending** universal **XpressConnect** clips instead of cabinet-specific interfaces, this system can be supplied rapidly from stock and quoted like any other stocked solution. The XpressConnect clips effortlessly hook-on and lock into the supplied mounting rails with a quick quarter turn of the twist-lock, enabling fast assembly of wall, floor, or ceiling mounted dvLED installations, making System Xpress the fastest dvLED mounting solution to go from order to install.
