

BT9342

UNIVERSAL dvLED CEILING MOUNT FOR ANY CONFIGURATION

Part of B-Tech's System Xpert range, BT9342 is a universal ceiling mounted solution suitable for all dvLED brands and cabinet types, including non-latching cabinets. BT9342 is configurable to your exact needs and requirements, taking into account the cabinet brand, size and configuration. Also available in several other formats including wall-mounted, freestanding, mobile, bolt-down and floor-to-ceiling.

System Xpert, the installers choice, is a premium range of dvLED mounting solutions trusted for its quality, ease of use, adjustability and fast installation. It meets every need, from small format wall mounts to extra-large, curved, odd shaped or even ceiling set-ups. Configurations can be generated using our online configuration tool and for more ambitious projects, our expert engineers can assist with bespoke specifications via email at technical@btechavmounts.com. The range also includes **B-Tech's Service+** free of charge, which offers customers a fully integrated service with detailed documentation, pre-assembled components and precision engineered Interface components for your specific application.
