

BT9377

UNIVERSAL dvLED BOLT-DOWN STAND WITH RETRACTABLE BASE FOR ANY CONFIGURATION

Part of B-Tech's System Xpert range, BT9377 is a universal bolt-down solution suitable for all dvLED brands and cabinet types, including non-latching cabinets. BT9377 features a retractable base for easy service access to display screens and is configurable to your exact needs and requirements, taking into account the cabinet brand, size and configuration. The retractable floor base enables seamless movement backwards of up to 400mm for easy servicing and maintenance of hardware making it ideal for shop fronts installations against windows.

System Xpert, the installers choice, is a premium range of dvLED mounting solutions trusted for its quality, ease of use, adjustability and fast installation. It meets every need, from small format wall mounts to extra-large, curved, odd shaped or even ceiling set-ups. Configurations can be generated using our online configuration tool and for more ambitious projects, our expert engineers can assist with bespoke specifications via email at technical@btechavmounts.com. The range also includes **B-Tech's Service+** free of charge, which offers customers a fully integrated service with detailed documentation, pre-assembled components and precision engineered Interface components for your specific application.
