

# BT9903

## XL HEAVY DUTY FLAT SCREEN WALL MOUNT FOR SCREENS UP TO 120"

The heavy-duty BT9903 has been designed to securely mount the largest screens on the market, supporting weights of up to 441lbs when wall-mounted. Ideal for heavy touchscreens over 65", its universal interface accommodates mounting patterns up to 1000 x 600. The BT9903 has keyhole fixings on the wall plate and a hook-on mounting system, ensuring a straightforward installation process. Additionally, it features height adjustment screws, allowing for easy leveling of the screen post-installation.
